

“Starting children off through God’s love and Jesus’ teachings”

Christian Value: Compassion

British Value: Mutual Respect

Living out the School Vision (Stay & Play):

Curiosity: “I wonder if we will be planting seeds?” shared Bertie (Y2).

Compassion: “My friend helped me at playtime,” said Isabella (R).

Resilience: “Decimals were quite hard but I kept going,” reported Harry (Y4).

Worship quote: “Be kind and compassionate to one another, forgiving each other, just as in Christ God forgave you,” *Ephesians 4:32*.

Remember in our prayers: those working for peace in Ukraine and The Middle East.

New Christian Value

The children will be learning about how we can show compassion towards others and how we can seek to make difficult situations better. They will think about this on a personal, for example when they have friendship issues and in a wider context. For example, how can we look after our world by reducing our plastic waste?

New British Value

The children will be thinking about how they show mutual respect to one another, with particular regard to faiths, beliefs and cultures which may be different from their own.

Attendance During the Summer Term

All children in Robins’ Class, are now of statutory school age. Attendance expectations now apply to them, fully, as well as to the other year groups.

As the summer approaches, it is a good time to remind all families about the importance of high school attendance. It is not a surprise that academic progress suffers when children are regularly off school, but friendship bonds and with them, a sense of belonging, also diminish. Other children ‘move on’ and children who are often absent may struggle to re-establish themselves.

Fines for attendance are much more likely for 5 or more consecutive days when combined with previous low attendance.
