

Religious Education: Make sense of a range of religious and non-religious beliefs

EYFS:

Key Stage 1:

Identify the core beliefs and concepts studied and give a simple description of what they mean.
Give examples of how stories show what people believe (e.g. the meaning behind a festival).
Give clear, simple accounts of what stories and other texts mean to believers.

Year 7:

An introduction to RE/religious belief/
key practices.
Do we need to prove God's existence?

Upper Key Stage 2:

Identify and explain the core beliefs and concepts studied, using examples from sources of authority in religions.
Describe examples of ways in which people use texts/sources of authority to make sense of core beliefs and concepts.
Give meanings for texts/sources of authority studied, comparing these ideas with ways in which believers interpret texts/sources of authority.

Lower Key Stage 2:

Identify and describe the core beliefs and concepts studied.
Make clear links between texts/sources of authority and the key concepts studied.
Offer suggestions about what texts/sources of authority can mean and give examples of what these sources mean to believers.

**Religious Education:
Understand the impact
and significance of
religious and non-
religious beliefs**

EYFS:

Key Stage 1:

Give examples of how people use stories, texts and teachings to guide their beliefs and actions.

Give examples of ways in which believers put their beliefs into action.

Year 7:

The challenge of God and religious beliefs.

Upper Key Stage 2:

Make clear connections between what people believe and how they live, individually and in communities.

Use evidence and examples to show how and why people put their beliefs into action in different ways, e.g. in different communities, denominations or cultures.

Lower Key Stage 2:

Make simple links between stories, teachings and concepts studied and how people live, individually and in communities.

Describe how people show their beliefs in how they worship and in the way they live.

Identify some differences in how people put their beliefs into action.

Religious Education:
Make connections
between religious
and non-religious
beliefs, concepts,
practises and ideas
studied

EYFS:

Key Stage 1:

Think, talk and ask questions about whether the ideas they have been studying have something to say to them.

Give a good reason for the views they have and the connections they make.

Year 7:

What it means to be a Jewish person today? What does it mean to be a Christian today?

Upper Key Stage 2:

Make connections between the beliefs and practises studied, evaluating and explaining their importance to different people (e.g. believers and atheists).

Reflect on and articulate lessons people might gain from the beliefs/practises studied, including their own responses, recognising that others may think differently.

Consider and weigh up how ideas studied in this unit relate to their own experiences and experiences of the world today, developing insights of their own and giving good reasons for the views they have and the connections they make.

Lower Key Stage 2:

Make links between some of the beliefs and practises studied and life in the world today, expressing some ideas of their own clearly.

Raise important questions and suggest answers about how far the beliefs and practises studied might make a difference to how pupils think and live.

Give good reasons for the views they have and the connections they make.
